PROFESSIONAL EXPERIENCE:

***Case Manager/Vocational Rehabilitation Counselor Intern/Life Care Planner:  
OSC Vocational Systems, Inc. October 2015-Present***

- Coordinate life care plans and provide vocational assessments for individuals suffering from catastrophic injury, chronic disease, or disability as well as review and provide recommendations of opposing life care plans and medical bill reviews. Provide assessments and recommendations for psychosocial, medical, vocational, avocational, and independent living needs with regard to human dignity and safety while promoting independence.

***Case Manager, Inpatient Rehabilitation: Providence St. Peter Hospital, Olympia, WA  
October 2015-Present***

- In collaboration with the Director of Physical Medication and Rehabilitation works as a catalyst to promote coordination and continuity of care, achievement of consistent and/or expected clinical outcomes, patient advocacy, and efficient resource management. Coordinates the care for rehabilitation patients throughout their stay to include facilitating, coordinating, and communicating between all members of the healthcare delivery team, relevant parties, and outpatient resources as needed to meet the specific psychosocial, medical, and independent living needs of the patients.

***SWAT RN, CHI Franciscan St. Anthony Hospital, Gig Harbor, WA May 2015-October 2015***

- Responsible for providing continuity of patient care by providing assistance where the need arises in the hospital to include providing resources and knowledge to the more novice clinician. Performs outpatient/inpatient procedural sedation in diagnostic imaging and all inpatient units as needed. Assesses and places peripherally inserted central catheters (PICC) and midlines as well as performs bed control to determine appropriate patient placement in specified acuity locations to include direct admit, post-operative, rehabilitative and emergency patients.

***Clinical Supervisor: STAT RNs, PICC Team, Float Pool RN/PTCAs:  
MultiCare Good Samaritan Hospital Puyallup, WA May 2014-May 2015***

- Supervise and coordinate the activities of nursing and support staff within three nursing departments, having seventy-two direct reports, on a twenty-four hour basis to include hiring, best practice and clinical direction, as well as providing coaching and discipline to include on-the-job injury investigations, recommending preventative measures to prevent future injury and accommodating assigned duties to sustain and promote future employment within the organization. Provide leadership in the implementation and integration of human and material resources necessary to provide quality and efficient patient care for defined populations. Coordinates the daily activities of the staff as they provide patient care.

***Charge RN, Critical Care Center: MultiCare Good Samaritan Hospital Puyallup, WA  
May 2013-May 2014***
