Employment and Experience

OSC Vocational Systems, Inc. 2019-Present
Job Title: Vocational Rehabilitation Counselor/Case Manager

Professional Areas of Expertise

Rehabilitation counseling, disability management, vocational assessments, case management, psychometric testing, assessment of earning capacity and life care planning. Utilize knowledge of the medical aspects of disability. Manage independent case load, performing assessment and coordination of medical treatment with various medical providers. Develop rehabilitation plans, job development and placement. Perform job analysis, labor market research and employment qualification assessments. Perform community integration and assistance with job placement services. Work closely with claims managers, physicians, injured workers, people with disabilities, medical professionals and employers to evaluate and assess return to work needs and eligibility for services. Provide forensic services upon request.
